Mr. Tan, a graduate of 17th forum revisits the Forum

Mr. Tan Hung Seng, a graduate of 17th forum re-visited the Forum accompanied with his wife, Ms. Kayo Suzuki, and two volunteer members, Mr. and Mrs. Kikkawa on June 15th.

Mr. Tan has been appointed as the next Singapore Ambassador to Egypt and will assume his post in Cairo in July 2009.

Despite a brief visit, he seemed to enjoy the opportunity to re-collect memories of the 17th IATSS Forum as he reviewed the articles and Research Report as well as old photographs in the albums. He also reminisced about the time he had spent by looking at the facilities such as the library. He left after enjoying the conversation with the staffs refreshing the memory of good old days..
