We enjoyed chatting and looking at old photos, it was only a short visit but we had a great chance to catch up and renew our friendship.

It was great to see him again and we hope that Mr. Tan will continue to have great success in the future.

The 22nd Participant Ermie Visiting IATSS Forum

On April 10th 2010, the 22nd IATSS Forum participant Ms. Ermie M Bacarra visited Suzuka and renewed her friendship with many Japanese volunteers.

Ms. Ermie visited Japan for the first time since the 22nd IATSS Forum in 1994. She visited Suzuka taking time out from her work in Osaka. She looked very impressed when she finally saw the cherry blossoms in full bloom in Suzuka, which had been her long-cherished dream.

We hope Ms. Ermie will come again and have great success in future, too.
