

## **Urgent Notice:**

### **Regarding the IATSS Forum for 2010**

To all of new applicants applying for the IATSS Forum program to be held in 2010.

Thank you very much for your kind understanding and cooperation in the activities of IATSS Forum.

Due to circumstances we're obliged to host the forum only once a year beginning in 2010.

Therefore, the final screening will be held from April to May 2010.

Please refer to the revised format of our application form on our webpage, to be posted shortly.

All new applicants should download and fill out the revised application form from the IATSS Forum website.

Applicants who have already sent in the application using the unrevised application form will be unaffected by the change. There is no need to re-apply using the revised form.

For those applicants who wish to cancel their application to the spring 2010 IATSS Forum, please advise your IATSS country secretary of your decision as soon as possible.

Please pardon this urgent notification, and we humbly apologize for the inconvenience.
