Theme	<p>“Inspiring Leaders” is planned to develop students’ communication, leadership skills and to enhance unity in diversity through hands-on learning and group activities.</p> <p>The Ministry of Education (MOE) developed the Malaysia Education Blueprint 2013-2025 (Blueprint) with the aim of providing high quality education to all students. Every child in Malaysia deserves the right to an education that enables them to be globally competitive and to contribute to the nation’s prosperity. Every student who goes through the system should be equipped with knowledge, critical thinking skills, leadership skills, bilingual proficiency, ethics and spirituality whilst imbued with a strong sense of national identity.</p> <p>In line with this, the “Inspiring Leaders” seeks to provide students with shared values and experiences by embracing diversity in a conducive learning environment.</p> <p>The project will focus on Shift 1 of the Education Blueprint which aspires to provide equal access to quality education of international standard and Shift 9 which focuses to partner with parents, community and private sector at scale.</p>
Priority Issue	<p>Soft Skills for Student leaders.</p> <p>Soft skills are one of the most prominent skills for a successful life. One should nurture these skills from the school days to have the strong base as the young leaders of tomorrow. Hence, there is a need to create opportunities for young people to participate, learn and share ideas. This will enhance</p>

	<p>teamwork and confidence in the individual and assist them to face challenges in life.</p> <p>Besides that, by organizing activities for the aboriginal students, the young student leaders can be role models for them. Student leaders will create awareness to the wider community and the local community will be able to understand the importance of social inclusion to enhance unity in life.</p> <p>The activities planned builds better physical stamina, good self-esteem, confidence and a belief in their skills and abilities. The programme promotes constructive time use, positive social interactions and valuable life skills, which inevitably benefit the community as a whole.</p>
Goal	<p><u>Long term objective:</u></p> <ol style="list-style-type: none"> i. to nurture more responsible community as student leaders can help create awareness on the importance of unity to strengthen the communities, and contribute to the overall quality of life ii. Improve the communication skills of student leaders as soft skills development is essential in molding versatile and competent individuals iii. Help the aboriginal community to realize the importance of education to develop their students' skills and fulfilling their potential <p><u>Short term objective:</u></p> <ol style="list-style-type: none"> i. Creating awareness on the importance of soft skills in creating a sustainable community ii. Publicity for MIFA and engaging a wider spectrum of applicants in future IATSS Forum batches iii. Assist SDJ students to gain more exposure and develop more Student leaders for the future
